

Exhibitor Information 2020

Welcome to Art from Trash 2-25th October.

Entries are now open for Art from Trash 2020.

Entries must be received by Midnight September 1st, 2020.

Please remember our motivation in running this event is to educate people in the potential value of what we throw away, within an artistic context, to reduce waste.

If in the process artists get to sell their work and make some money and we get a little off the top to support the costs of running the event, then so much the better.
