**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED****ABN 51 412 061 029****FINANCIAL REPORT****BOARD OF DIRECTORS' REPORT**

The Directors present the financial report of The Bower Re-Use and Repair Centre Co-Operative Limited for the year ended 30 June 2024 and report as follows:

**NAMES OR DIRECTORS**

The names and positions of the Directors who held office during the financial year were:

Name	Position	Board Meetings	
		Eligible	Attended
Marcelle Psaila	Independent Director, Chairperson until February 2024	11	11
Michelle Sheather	Member Director, Chairperson from February 2024	11	11
Katherine Lindsay	Member Director	11	7
Kirk Simmons	Independent Director ( <i>Appointed November 2023</i> )	7	6
Christine Simmons	Member Director ( <i>Appointed November 2023</i> )	7	7
Paul Wade	Member Director ( <i>Appointed November 2023</i> )	7	7
Rose Dravitzki	Member Director ( <i>Resigned November 2023</i> )	4	3
Angus MacGregor	Independent Director ( <i>Resigned November 2023</i> )	4	0
Henry McKenna	Treasurer	11	9
Shwetha Pran	Secretary ( <i>Appointed August 2023</i> )	10	10

The Directors were in office for the whole of the financial year unless otherwise stated.

**PRINCIPAL ACTIVITIES**

The principal activities of the Co-operative during the financial year were to operate re-use and repair centres, provide educational workshops and provide a re-use referral service to the local community. There has been no significant change in the nature of the Co-operative's principal activities from the previous year.

**OPERATING RESULT**

The Co-Operative's net deficit for the financial was a deficit of \$125,819 (2023 deficit: \$26,102).

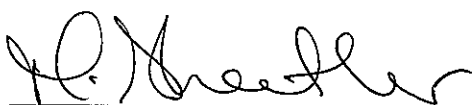

**STATE OF AFFAIRS**

There was a significant loss for the year which has had an impact on cash reserves. The forecast for the 24/25 year is a small surplus of \$10K although at the time of this report the Co-operative is in a loss position for the 24/25 year. The Board believes that it can make the necessary steps to ensure the Co-operative can continue to remain a going concern, which includes reviewing and assessing all areas of its operations and taking the option of scaling down or ceasing certain parts of its operations if necessary.

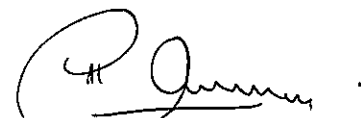

**Auditor's independence declaration**

A copy of the Auditors Independence Declaration is attached to this Directors Report.

This report is made in accordance with a resolution of the Directors made on 6 November 2024 and is signed for an on behalf of the Board of Director's by:

Michelle Sheather  
(Chairperson)

Henry McKenna  
(Treasurer)

Date: 21 November 2024

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**FINANCIAL REPORT**

Auditor's independence declaration to the Committee Members under section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) to the Members of The BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2024 there have been:

- (a) no contraventions in relation to the audit of the auditor independence requirements of section 60-40 of the ACNC Act; and
- (b) no contraventions in relation to the audit any applicable code of professional conduct in relation to the audit.

**ABN 51 412 061 029**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

**NOTE 1 - CORPORATE INFORMATION**

This financial report is for The Bower Re-Use and Repair Centre Co-operative Limited. The co-operative is registered as a charity under the Australian Charities and Not-for-profits Commission Act 2012.

The Co-operative provides re-use and repair centre services, educational workshops and re-use referral services to the local community.

The registered address and principal place of business of the Co-operative is:

142 Addison Road  
Marrickville NSW 2204

The financial statements were approved by the Directors on 6 November 2024.

**Note 2 - Basis of preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act). The Co-operative is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

As at 30 June 2024, the Co-operative's current assets exceed its liabilities by only \$11,609. The Co-operative has also incurred significant operating loss in the current and previous year. The Directors believe it is appropriate to prepare the financial statements on a going concern basis based on reviewing and restructuring operations of the entity were necessary to reduce costs.

After considering the above, the Directors consider that the Co-operative body will be able to fulfil all obligations as and when they fall due for the foreseeable future, being at least 12 months from the date of approval of the financial statements, and accordingly, that the Co-operatives's financial statements should be prepared on a going concern basis.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets.

**Note 3 - Summary of material accounting policies**

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**Income Tax**

The Bower Re-Use and Repair Centre Co-Operative Limited is a not-for-profit Charity and it is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivable and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**ABN 51 412 061 029**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

**Note 3 - Summary of material accounting policies (continued)**

**Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of taxes paid. The Co-operative recognises revenue when the amount of revenue can be reliably measured. It is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Co-operative's activities as described below. All revenue is stated net of the amount of goods and services tax (GST).

*Sale of goods*

Revenue from the sale of goods is recognised at the earlier of when deposits are paid in full and available for shipping and the point of delivery.

*Grants and donations*

Contributed assets

If the Co-operative receives assets from the government and other parties for nil or nominal consideration in order to further its objectives, these assets would be recognised in accordance with the recognition requirement of other applicable standards (AASB 9, AASB 16, AASB 116 and AASB 138).

On initial recognition of an asset, the Co-operative recognises related amounts (being contribution from owners, lease liabilities, financial instruments, revenue or contract liabilities arising from a contract with a customer).

The Co-operative recognises income immediately in profit and loss and the difference between the initial carrying amount and the asset and the related amount.

Operating grants and donations

When the Co-operative receives operating grant revenue or donations, it assesses whether the contract is enforceable and has sufficient specific performance obligations in accordance with AASB 15. When both these conditions are satisfied the association identifies each performance obligation relating to the grant, recognises a contract liability for these obligations and recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations the Co-operative either recognises the asset received in accordance with the requirements of other applicable accounting standards, recognises related amounts or recognises income immediately in profit and loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Co-operative recognises income in profit and loss when or as it satisfies its obligations under the contract.

*Interest*

Revenue from interest is recognised on an accrual's basis.

*Rendering of services*

Revenue from the rendering of a service is recognised upon delivery of the service to the customer.

**Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of six months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

**Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less a provision for impairment.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment is established when there is objective evidence that the Co-operative will not be able to collect all amounts due according to the original terms of receivables.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**ABN 51 412 061 029**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

**Note 3 - Summary of material accounting policies (continued)**

**Property, plant and equipment**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the statement of profit or loss and other comprehensive income.

Subsequent costs are included in the carrying amount of the asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Residual values and useful lives of the assets are reviewed, and adjusted if appropriate, at each reporting date.

The carrying amount of an asset is written down immediately to its recoverable amount if its carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included on the income statement

**Depreciation of property, plant and equipment**

Depreciation is calculated on a straight line basis to write off the net cost of each item of property, plant and equipment (except land) over its expected useful life. The estimated useful lives are as follows:

Buildings	40 years
Leasehold improvements	5 years
Equipment, furniture and fittings	10 - 15 years
Motor vehicles	5 years

**Right-of-use assets**

At inception, a right-of-use asset and a lease liability is recognised. Right-of-use assets are included in the Statement of Financial Position within a classification relevant to the underlying asset.

Right-of-use assets are initially measured at cost, comprising of the following:

- The amount of the initial measurement of the lease liability
- Any lease payments made at or before the commencement date, less any lease incentives received
- Any initial direct costs incurred
- An estimate of costs to be incurred in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred either at the commencement date or as a consequence of having used the underlying asset during a particular period

Subsequently, right-of-use assets are measured using a cost model. The right-of-use asset is depreciated to the earlier of the useful life of the asset or the lease term using the straight-line method and is recognised in the statement of profit or loss and other comprehensive income in "Depreciation and amortisation".

The Co-operative tests for impairment where there is an indication that a right-of-use asset may be impaired. An assessment of whether there is an indication of possible impairment is done at each reporting date. Where the carrying amount of a right of use asset is greater than the estimated recoverable amount, it is written down immediately to its recoverable amount. The resulting impairment loss is recognised immediately in surplus or deficit, except where the decrease reverses a previously recognised revaluation increase for the same asset.

The resulting decrease is recognised in other comprehensive income to that extent and reduces the amount accumulated in equity under revaluation surplus, and future depreciation charges are adjusted in future periods to allocate the revised carrying amount, less its residual value, on a systematic basis over its remaining useful life.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**ABN 51 412 061 029**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

**Note 3 - Summary of material accounting policies (continued)**

**Leases**

A lease is a contract, or part of a contract, that conveys the right to use an asset for a period of time in exchange for consideration.

At inception of a contract, it is assessed to determine whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. If the terms and conditions of a contract are changed, it is reassessed to once again determine if the contract is still, or now contains, a lease.

The term of a lease is determined as the non-cancellable period of the lease, together with the periods covered by an option to extend the lease where there is reasonable certainty that the option will be exercised, and periods covered by an option to terminate the lease if there is reasonable certainty that the option will not be exercised.

The assessment of the reasonable certainty of the exercising of options to extend the lease, or not exercising of options to terminate the lease, is reassessed upon the occurrence of either a significant event or a significant change in circumstances that is within the Co-operative's control, and it affects the reasonable certainty assumptions. The assessment of the lease term is revised if there is a change in the non-cancellable lease period.

The Co-operative does not recognise leases that have a lease term of 12 months or less or are of low value as a right-of-use asset or lease liability. The lease payments associated with these leases are recognised as an expense in the statement of profit or loss and other comprehensive income on a straight-line basis over the lease term.

**Lease liability**

At the commencement date of the lease, the lease liability is initially recognised for the present value of non-cancellable lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Co-operative's incremental borrowing rate.

The tenor of a lease includes any renewal period where the lessee is reasonably certain that they will exercise the option to renew. The Co-operative has reviewed all its leases and included any extensions where the Co-operative assessed it is reasonably certain the lease agreement will be renewed.

The lease payment used in the calculation of the lease liabilities should include variable payments when they relate to an index or rate. Where leases contain variable lease payments based on an index or rate at a future point in time, the Co-operative has used the incremental uplift contained in the lease or the respective Reserve Bank forward-looking CPI target for CPI-related increases.

In the absence of any floor or cap clauses in the lease agreements, the Co-operative measures the rent for the year under market review at an amount equal to the rent of the year preceding the market review increased by a fixed rate.

The lease liability is initially measured at the present value of the lease payments that are not yet paid at the commencement date. Lease payments are discounted using the relevant Co-operative's incremental borrowing rate. The incremental borrowing rate used for this calculation is dictated by the tenor of the lease and the location of the asset. The incremental borrowing rate is the rate the Co-operative would be charged on borrowings provided by our banking partners. The weighted average incremental borrowing rate is 4.5%. The following lease payments being fixed payments, less any lease incentives receivable are included where they are not paid at the commencement date.

Subsequently, the lease liability is measured by:

- Increasing the carrying amount to reflect interest on the lease liability
- Reducing the carrying amount to reflect the lease payments made
- Remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments

The unwind of the financial charge on the lease liabilities is recognised in the Statement of Profit or Loss and Other Comprehensive Income in "Finance costs" based on the Co-operative's incremental borrowing rate.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED****ABN 51 412 061 029****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024****Note 3 - Summary of material accounting policies (continued)****Intangible assets**

Software has a finite useful life and is carried at cost less accumulated amortisation and impairment losses. Amortisation is calculated using the straight-line method to allocate the cost of the software over its estimated useful life of between three to four years. The current amortisation charges for software are included under depreciation and amortisation expense in the statement of profit or loss and other comprehensive income.

**Impairment of assets**

At the end of each reporting period, the Co-operative reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less the costs to sell the value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in the statement of profit or loss and other comprehensive income.

**Financial Instruments**

Financial assets and financial liabilities are recognised on the statement of financial position when the Co-operative becomes party to the contractual provisions of the financial instrument. For financial assets, this is the equivalent to the date that the entity commits itself to either the purchase or sale of the asset (trade date).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit and loss" in which case transaction costs are expensed to profit and loss immediately.

Financial assets and financial liabilities are recognised when the entity becomes party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Co-operative commits itself either purchase or sell the asset (trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

Trade receivables are initially measured at transaction price if the trade receivables do not contain significant financing components.

**Classification and subsequent measurement**

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between the initial amount and the maturity amount calculated using the effective interest method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

As per AASB 9 an expected credit loss model is applied to reflect changes in credit risk, this expected credit loss model requires the Co-operative to account for expected credit losses since initial recognition.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED****ABN 51 412 061 029****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024****Note 3 - Summary of material accounting policies (continued)****Financial Instruments (continued)**

AASB 9 also determines that a loss allowance for expected credit loss be recognised on debt investments subsequently measured at amortised cost or at fair value through other comprehensive income, lease receivables, contract assets, loan commitments and financial guarantee contracts as the impairment provision would apply to them.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing financial difficulty default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

If the credit risk on a financial instrument did not show significant change since initial recognition, an expected credit loss amount equal to the 12 month expected credit loss is used. However, a loss allowance is recognised at an amount equal to the lifetime expected credit loss if the credit risk on that financial instrument has increased significantly since initial recognition, or if the instrument is an acquired credit-impaired financial asset.

The Co-operative has adopted the simple approach under AASB 9 in relation to trade receivables, as the loss allowance is measured at the lifetime expected credit loss.

At each reporting date, the Co-operative recognises the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

**Derecognition**

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**Trade and other payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Co-operative during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of trade and other payables is deemed to reflect fair value.

**Provisions**

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that the outflow of economic benefit will result and that the outflow can be measured reliably.

**Income and grants in advance**

Income, including government funding income, that is received before the service to which the payment relates has been provided is recorded as a liability until such time as the service has been provided, at which time it is recognised in the statement of comprehensive income.

**Employee benefits**

Provision is made for the Co-operative's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**Comparatives**

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year. Where the Co-operative has retrospectively applied an accounting policy, made a retrospective restatement or reclassified items in its financial statements, an additional statement of financial position as at the beginning of the earliest comparative period will be disclosed.

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**ABN 51 412 061 029**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

**Note 3 - Summary of material accounting policies (continued)**

**Critical accounting estimates and judgements**

The Directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and internally within the Co-operative.

**Key estimates**

***Impairment***

The Directors assess impairment at the end of each reporting period by evaluation of conditions and events specific to the Co-operative that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

***Estimation of useful lives of assets***

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant and equipment) and turnover policies (for motor vehicles). In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

***Performance obligations under AASB 15***

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. The Directors exercise judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment the Directors consider the nature, value, quantity and period of transfer related to those goods or services promised.

***Lease term and option to extend under AASB 16***

The lease term is defined as the non-cancellable period of a lease together with periods covered by an option to extend the lease if the lessee is reasonably certain to exercise that option and also options to terminate the lease, if the lessee is reasonably certain not to exercise that option. The Directors determine the likelihood to exercise options based on a lease by lease basis.

**New and Amended Accounting Policies**

The Co-operative has adopted all new and amended accounting standards issued and effective for the current financial reporting period. The application of these standards have not had a material impact on the financial statements.

**FINANCIAL REPORT - 30 JUNE 2024**

**STATEMENT BY BOARD OF DIRECTORS**

The Directors of The Bower Re-Use and Repair Centre Co-Operative Limited declare that:

1. The financial statements, which comprises the statement of financial position as at 30 June 2024, and the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and:
  - (a) complying with Australian Accounting Standards - Simplified Disclosures applicable to the entity and the Australian Charities and Not-for-profits Commission Regulation 2022; and
  - (b) give a true and fair view of the financial position as at 30 June 2024 and of the performance for the year ended on that date.
2. In the opinion of the Directors, there are reasonable grounds to believe that the Co-operative will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with a resolution of the Board of Directors and is signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2022.

**FINANCIAL REPORT - 30 JUNE 2024**

**BOARD DECLARATION**  
**UNDER THE CHARITABLE FUNDRAISING ACT 1991**

In the opinion of the Directors of the Bower Re-Use and Repair Centre Co-operative Limited:

- (i) The accounts for the year ended 30 June 2024 give a true and fair view of all income and expenditure of The Bower Re-Use and Repair Centre Co-Operative Limited with respect to fundraising appeals; and
- (ii) The statement of financial position as at 30 June 2024 gives a true and fair view of the state of affairs with respect to fundraising appeals; and
- (iii) The provisions of the Charitable Fundraising Act 1991 (NSW) and the regulations under that Act and the conditions attached to the authority have been complied with; and
- (iv) The internal controls exercised by the Co-operative are appropriate and effective in accounting for all income received.

**Independent auditor's report to the members of**

**THE BOWER RE-USE AND REPAIR CENTRE CO-OPERATIVE LIMITED**

**ABN 51 412 061 029**

**Opinion**

We have audited the financial report of The Bower Re-Use and Repair Centre Co-operative Limited, which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the Directors' Declaration.

In our opinion, the financial report of The Bower Re-Use and Repair Centre Co-operative Limited has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including;

- (a) giving a true and fair view of the Co-operative's financial position as at 30 June, 2024 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards - AASB 1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and the Australian Charities and Not-for-profits Commission Regulation 2022.

**Material Uncertainty Related to Going Concern**

We draw attention to Note 1 to the financial report, which notes that the Co-operative has made significant losses in the past two years, which has resulted in the Co-operative's net working capital being reduced to a small surplus of \$11,609 at year end. The Co-operative is reviewing operations and looking at ways to restructure the operations in order to reduce costs. Given the current financial position of the company notwithstanding the Board's review of and possible restructuring of the Co-operatives operations a material uncertainty exists that may cast doubt on the Co-operative's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Co-operative in accordance with the ACNC Act, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Report and Auditor's Report Thereon**

The Directors are responsible for the other information. The other information comprises the information included in the Co-operative's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in

### **Responsibilities of the Directors for the Financial Report**

The Directors of the Co-operative are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - AASB 1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Co-operative's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Co-operative or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Co-operative's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Co-operative's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Co-operative to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on other Regulatory Requirements

We have audited the financial report as required by Section 24(2) of the Charitable Fundraising Act 1991 (NSW). Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Charitable Fundraising Act 1991 (NSW) and the Charitable Fundraising Regulations 2021.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or noncompliance may occur and not be detected. An audit is not designed to detect all instances of noncompliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

In our opinion:

- (a) The financial report gives a true and fair view of the financial results of fundraising appeal activities for the financial year ended 30 June 2024;
- (b) The financial report has been properly drawn up, and the associated records have been properly kept for the financial year ended 30 June 2024, in accordance with the Charitable Fundraising Act 1991 and Regulations;
- (c) money received as a result of fundraising appeals conducted during the year ended 30 June 2024 has been properly accounted for and applied in accordance with such Act and its Regulations.
- (d) There are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they fall due.
